KS1 Children's Health Project

This week on her return to her Deputy Head role, Mrs Quinn is the guest Newsletter lead writer. Welcome back Mrs Quinn! (Ed)

Dear Parents,

Another busy week has flown by and the end is in sight! The week began with a joyous Summer Concert where we listened to some of our many talented musicians and our Choirs. Particular thanks go to Mrs Dougall and her dance group who also competed in a performance at The Civic Theatre "Schools Gotta Dance".

Today, we started the day with a reflective Worship, led by Tim Leeson, outside in the beautiful sunshine. This afternoon we have welcomed many people into our school. Foundation Stage gathered this afternoon to play games on the field with their Dads and Grandfathers while Mrs Wiskin held a 'Thank you Tea' for the many people that have supported our children and given up their time throughout the year.

What a lovely end to a busy week!

Mrs Quinn

On Tuesday 4th July 2017, Mrs Dougall took 22 children to the School's Gotta Dance show. Mrs Dougall choreographed the dance and the children rehearsed every Monday for an hour and a half. They perfected their routine when everyone practised for the last time on the Civic theatre stage. After practising and practising, everyone took to the stage and put on an incredible show. The dance was amazing and everyone had bundles of fun. Olivia Mayes quoted, "The lights were so bright and you couldn't see the audience!" Jamal C also said, "Although it was really fun and exciting to perform, it was also petrifying at the same time!"

Thank you to Mrs Dougall, who invented the dance, and to the parents for watching and taking their children. Also thank you to the school for letting the children take part in the dance show.

By Annie R-H, media group, and Olivia M, who took part in the show.

If your child has collected stamps on their Champions Championships leaflet, please return them to Mr Richardson Monday.

MISSING!

We are still missing seven of the team polo shirts after recent sports fixtures. At least two of them are still with members of the rounders team. Could you please check your child's belongings to see if they have yet to return them.

To book 07952 610223 or from St. Mary's Church Office. Tel: 01245 477501 www.little2bigvoices.com

Business Trip in Chelmsford

Extract from EE website <http://enablingenterprise.org/archives/21406>

The Schools: Perryfield Junior, Springfield Primary and The Cathedral School

All three schools are based in Chelmsford and were chosen to take part in this special competition day to pitch their Enterprise Skills against each other to see who could be the best new traders in town.

The Business: M&G, Chelmsford

M&G is a leading investment house. With over 80 years experience in the UK and overseas, M&G manages assets on behalf of a wide range of investors across UK, Europe, Asia, the Americas and South Africa. They work in offices across Europe and Asia to ensure that their clients make the most of their money.

The Challenge: Trading Triumphs

This fast-paced challenge saw the children from all three schools form their own trading companies with the goal of making the right investment choices for their client. After touring the company offices and talking to a range of different M&G employees, it was time to delve into the world of finance. By *Working in a Team*, *Problem Solving* and *Sharing Ideas* each team was able to sort through the company information to find the clues as to their potential share price fluctuations. This required great concentration and an ability to be flexible with their decision making as it seemed the stock market news was bringing fresh updates by the minute!

The Results

Having learnt the importance *Staying Positive* as a trader, it was clear that everyone had heeded the advice of the M&G volunteers who were guiding the teams through the task. All the teams had managed to stay on track and make a huge return for their client, Dr Taylor, yet managed to keep going even when their riskier investments didn't turn out as they'd hoped. A huge well done to all three schools for taking part and for tackling this very real-life task with such enthusiasm and drive. As their first experience of Enabling Enterprise it was clear that the children saw the value of all the Enterprise Skills and how vital they really are to be successful. At the end of the day, following some coaching from the M&G volunteers, each team did a sterling job of presenting their outcome to an audience of even more M&G employees. In the end the judges decided that the winning school was Perryfields Junior, although they were extremely impressed with the children from all three schools and gave glowing praise for their work throughout the day.

"The children worked on a complex process (that perplexes adults) thanks to it being made so accessible to the children. This was a great opportunity to see the inner workings of a real company and all the children were very engaged." – Miss Pool, Cathedral CE VA Primary School
