Dear Parents,

We always tell our Year 6's their results personally before our reports come out on Monday, so today was a special day. It had been hard to keep quiet when they came in last week as they are an improvement on last years' excellent results. Miss Pool and the upper school team have not stopped grinning.

Before they can be issued they have to be checked, experience has shown that marking errors are made by external markers. I once found ten missing marks, so we are thorough.

Year 6 pupils, their teachers, and their supportive parents have all contributed to each individual success.

So this week is very much about our Year 6 pupils whose performance this week of Aladdin at CCHS on Tuesday night was quite brilliant and drew a standing ovation.

Thanks are due to the whole team led by Mrs Miller and Mrs Prentice, whose thoroughness in preparation gave the children the chance to show what they could do, performing at such a high level.

We will miss our Year 6 children; they

have had their Thank you tea when they make a list of the people they have met in their school life who have been significant and invitations went out and were formally accepted. The children entertained their guests (with Mrs Kinch's help), to a strawberry cream tea, and closing speeches were made by the Head Boy and Girl and their deputies.

It was a pleasure to have Mrs Kenna with us, who made a point of speaking to the children on every table.

The PTA kindly supported their party after school.

Congratulations to our Year 6 Football team for regaining the Small Schools Football League Trophy.

Next week they go on Pilgrimage to Bradwell, at the Othona Community on Tuesday followed by the Leaver's Service in the Cathedral at 6.30pm on Thursday and the Year 6 Award Ceremony on Friday morning. Parents are welcome to the last two events.

I wish everyone a happy weekend.

L Wiskin

03.01.18	Spring Term Starts

### SCHOOL LIBRARY

Please return school library books by Tuesday 18th July, 2017.

### LETTERS SENT HOME

Message from Mrs Wiskin

### Great Baddow High School Science Competition

On the 13th July, 2017 Mr Gilmour with six Year 5 pupils went to Great Baddow High School for a science competition. "We tested fake diseases and it was really fun" quoted Olivia.

The Competition was designed that each school represented a country; The Cathedral School was chosen to be China and had to prevent a pandemic disease coming into the country!

The team came first in a quiz but unfortunately they finished in last place in the advanced practical activity because they cross contaminated the disease samples. The highlight was Chloe being the individual champion and Alex finishing in the runners up spot.

## Small Schools Football Final 2017

On Wednesday 12<sup>th</sup> July, the school football team travelled to Bishops School to face Danbury Park in the Small Schools Final. James, Samuel Su, Sebastian, Oscar, Archie, Zach, Jake and Alfie all played. When we arrived we signed in and headed over to the pitch. We put our bags down and started doing some drills before Mr. Gilmour put us in our positions.

In the first half it was very tight, with Danbury managing to score a goal and go 1-0 up at the end of it. Mr. G. gave us motivation to have a better second half and get back in the game. Quickly, after half-time Alfie received a pass scoring a 1 on 1 and equalised in the game. After that, Oscar had a shot which hit the crossbar but Archie flicked it in past the goalkeeper to make it 2-1. Later on, Archie scored from outside the box, making it 3-1 securing the victory.

After the game (and the season) finished, we shook hands with the opposition and lined up to receive our medals. "I feel happy in our success," commented Oscar after the game.

By Jake S and Archie D

### SEEDS TO PLANT

In memory of Maya, children will be bringing home seeds to be planted as a gift from Maya's parents.
