Dear Parents

School has been a busy place this week; with the Book fair and the Year 5/6 Sportshall Athletics challenge when we came second to Moulsham Juniors.

There is always so much going on behind the scenes in the life of a school. Staff take on new initiatives seeking to add additional facets to the children's learning and support them; this week our Staff meeting was led by Miss Southward on RE and research on the new curriculum expectations has been taking place. We will be hosting a forum about this for the Chelmsford Teaching School Alliance shortly. This is what is being discussed nationally and you will hear more frequently in the coming months the changes led by "Intent implementation and Impact".

Our external advisor, the Rev Kate Moore came in for a progress review, confirming our successes. Members of worship group spent time making up their own play about the values they wanted to share in Assembly shortly and there have been visits by prospective new Parents for EYFS September 2019.

This month we welcome back Mrs Martin who is returning from maternity leave and who will be spending most of her time until September working in the Middle phase. Mrs Kilbey, who has been returning gradually, is working with Upper School and also undertaking cover. This is helping us move to the plan of splitting our mixed age classes when appropriate.

Over the coming weeks different staff members will be guest editing the newsletter for variety and we will return to the concept of having a bi-weekly longer newsletter with any updates to the diary in the shorter version in between.

Best wishes

Linda Wiskin

SPORTS HALL ATHLETICS

Twenty-five members of Upper School represented us at The District Sports Hall Athletics championships on Wednesday.

The children were in a group with five other schools and finished second overall on 192 points, behind winner Moulsham (222 points). Highlights included victories for William in the soft javelin, our Boys 2x2 lap relay team, our Girls 6-lap relay team and both of our 4x1 lap relay teams.

We are now waiting to find out if we are one of the best-placed runners-up and can qualified for the final later this month.

Arabella, who competed in standing long jump, obstacle race and speed bounce, said: "I loved the speed bounce because I had really good support from my team, cheering me on."

Maiya, who competed in the standing long jump and obstacle race, added: "The best bit was cheering everybody on. I felt really happy at the end because I thought we all did really well."

We are continuing to host a 'Book Fair' in our school where we will be sharing some great books with the children in all classes and inviting parents to browse these books with their children after school. Staff will be available for any purchases of books people may wish to make. All purchases contribute to a bonus total that we as a school can then spend on books to help further resource the school library which is in need of up to date, good quality books. If you would prefer to pay for the books by credit card you can call 033 305 2963 and quote School ID 1083639. Timetable for the Book Fair:

Monday 14th January Classes 9, 10 and 11 parents and children are welcome from 3.30-4.00

Tuesday 15th January Extra session for parents and children unable to make their allocated date from 3.30-4.00

Thank you for your continued support.

Our next meeting will be on Tuesday 15th January at 7.30, at the school. If you would like to join the PTA Committee or would like to find out more, please just turn up or find one of us in the playground - we'll be glad to answer any questions. Everyone is welcome!"

Please can we request that parents do not use the last few years SATs papers for home study or tutor use for year 6 revision because this is a resource hugely valued within school and any previous experience the children have of these papers cause the assessment data to then be incorrect and not useful to target particular areas of learning.

Can we also congratulate all children for working so hard on their Times table Rockstar usage. The speeds being seen and improved upon across the school are really impressive.

We are currently rated as third place against other schools within a 30 mile radius for time and accuracy - which is again a really impressive achievement! Keep it up!

Next instalment of £80 for the Isle of Wight Year 6 Residential trip is due by Friday 18th January

SEND Coffee Afternoon this Thursday 17th January from 2.15pm.

It is open to all. For more details please refer to letter sent out last week. [Click here](#)
