Geography Week

21st - 25th January 2019

Last week, at The Cathedral School, we took part in Geography week; the whole school took part and it was a great success. During the week, every class got to bake something (from the place that they were learning about), made a messy map of the country and used their map skills to make a map of the school accurately to scale. This event was organised by school council, Mrs Barrett and Mrs Wiskin and this event caused great excitement throughout the entire school.

Joseph said, "I liked making and eating sandwiches."

Elliot said, "I enjoyed making a big map."

Sophia said, "I enjoyed learning about London."

EYFS

Ralph said "The food was spicy and nice. It was hot too. I liked making my messy map."

Orla said, "It was really good; I enjoyed it. I would love to do it again."

Zara said, "It was good because the food was tasty and we made Githeri."

Lower School

Joseph said, "I think it was really fun and I liked geography week very much."

Elianna said, "I think geography is exciting and I liked the food tasting."

Middle School

Sienna said, "I really enjoyed it except cooking."

Upper School

William S said, "My favourite part of geography week was food tasting because it tasted nice."

Rachel, who is year five, said, "My favourite activity was baking the Rainforest cookies because my group worked well as a team and they tasted delicious."

Please note that if your child is bringing in a snack from home for morning break that this needs to be fresh fruit, dried fruit or vegetables. Fruit strings, fruit bars etc. are not part of our policy. If you wish to read our policy it can be found in the policy section and healthy schools web page.

Please can we request that parents do not use the last few years SATs papers for home study or tutor use for year 6 revision because this is a resource hugely valued within school and any previous experience the children have of these papers cause the assessment data to then be incorrect and not useful to target particular areas of learning.

A huge thanks to all at the cathedral school and local community for your support. We raised approx. £1250 for Havens Hospice following a successful evening at Police HQ on Saturday 26th January 2019.

YOUNG CARERS

Young carers - Does this apply to your family?

Is your child providing practical, physical, emotional or personal care for a family member?

Is your child helping to look after someone in the family home who is ill, physically or mentally disabled, have a learning difficulty or misuse drugs or alcohol?

Does your child do more than their peers? For example: cooking, housework, helping someone out of bed or looking after brothers and sisters.

As a result of this extra responsibility your child might be suffering from anxiety, loneliness, lack of sleep, friendship problems, be late or miss school. If any of the above applies to your child please speak to Mrs Morecroft or Mrs Wiskin.

Please ask even if you are unsure to see if we can help provide extra support for your child.
