Red recently added

We ended last week with our joint Parent and Teacher Association event; 'Party in the Playground' which was born from suggestions of the school council. It was a complete change from our usual Summer event but as it was designed by the children - we hoped it would be a success. We were therefore, delighted when then event worked so well and raised valuable funds to support the children's learning, even more than the usual Inflatable day previously has. This could not have been the case without the unwavering support of the PTA team, pupils, dedicated staff and parents; so we thank you all very much. We have received many complimentary comments about how relaxing and enjoyable both children and adults found this event and it certainly gave us the opportunity to enjoy the sunshine together.

This week has shown us how important Wisdom is.

During our worship we have looked at how knowledge informs us about the right choices to make but that Wisdom is acting upon that knowledge. We have seen this being exampled in lessons, on the playground and particularly during our sports day on Wednesday when the children supported one another so positively regardless of house team. Knowing sportsmanship characteristics and then displaying them in abundance!

Congratulations to everyone who took part and especially to Crompton team members who won overall. The Upper school orienteering trip on Tuesday also provided the children with a chance to shine in a new to our school event which took us to Maldon Promenade Park where in pairs the children were tasked with using map skills to complete a course. It was then wonderful to hear that Annabel W and Oliver Y came second out of all the school groups that entered.

We also had an excellent display of our musical talent in our evening showcase event which was a treat for both performers and audience alike and sets the tone for next weeks production taking place at Chelmsford County High School on Monday from Year 6. The children will no doubt be glad that to deliver their performance and I know that the audience will leave with a firm smile fixed on their faces and a great sense of pride.

SUMMER CONCERT

On Wednesday evening our children had the opportunity to showcase their musical talents at our Summer concert. Another chance for our pupils to shine.

Instrumental Tuition

Now is a good time to sign up for Instrumental lessons in September. We will have places for Piano, Guitar, Orchestral Strings, Flute, Clarinet and Brass. Pupils may begin lessons on piano and stringed instruments from Year 2 and wind and brass from Year 3, depending upon the development of adult teeth. Signing up for lessons is now done online by parents; it cannot be done by school staff. You can sign your child up for lessons at https://ukessex.speedadmin.dk/tilmelding. There are also details in the "Music at the Cathedral School" section of our school website.

KS1 Cricket

On Tuesday of this week KS1 1 were fortunate to take part in an extra cricket session lead by Paddy O'Riordan.

He taught us how to hold the bat, hit the ball and helped improve our accuracy in catching too. We had lots of fun playing in house teams and learnt some new and exciting skills
