Headteacher Message

Dear Parents

This week is our Harvest week and we are looking forward to taking our new children in EYFS to the Cathedral to start their journey at the Harvest Service. Family are welcome to join us for the service which is shorter than our Eucharist services. Thanks you in advance of the gifts for the foodbank coming into school.

We are currently advertising for more staff to work in our immensely popular Breakfast Club and CASP, our afterschool provision. Parents on the waiting lists will be contacted when this has been achieved.

As a school, we are always looking at ways we can make improvements that benefit everyone. Over the next few days, we are launching a new school App. Although our current App was a step forward in communications, it has had limitations: Parents Forum Representatives were concerned that they received all information, not just for their own year groups for example. We now have an App that links to our Website by our Website company that will be a better tool of communication. This is being rolled out by year group starting with Year 5 parents as their children are off on their Residential on Sunday.

Tomorrow morning we are holding a Macmillan Coffee morning at 9.30am. We also have scheduled a Parents Forum for next Friday at 9:30am, election papers will go out to vote for Representatives as our policy.

Safe journey and enjoy your trip to Norfolk Year 5

Best wishes

L Wiskin
