Head Teacher's Message

Dear Parents,

Today we said a sad goodbye to our Year 6 children after a socially distanced service on the field.

The service was recorded so that they will have this permanently. It included our award ceremony, speeches from the Head Boy, Jake and Deputy Head Girl, Chloe; prayers, favourite hymns and songs, chosen and pre-recorded by each Bubble and their "memories song" as well a compilation from a certain social media site that involved some moves!

It was an event that reflected the skills and talents of a fine group of young people that we have been pleased to teach and support throughout their primary school journey.

They leave us having had the opportunity to complete a school production arranged by the school staff, a pilgrimage supported by our Chaplain, and many of the special end of term experiences, albeit delivered a little differently.

We look forward to welcoming back all the children from EYFS to Year 5 for their two days in school next week. Half of each class will be in school on Monday and Tuesday and the other half on Thursday and Friday. We continue to support our key workers on the other days.

Please make sure you have read the information sent out by Scopay with the arrangements for your child/children two weeks ago.

There is another email today to provide some outline information and answer some questions we are being asked about September.

In other news, I am pleased to say that I have heard from Highways and the crossing island outside the school is being replaced. Thanks are due to everyone who supported this successful appeal.

Kind regards

Linda Wiskin
