Head Teacher's Message

Dear All

Thank you everyone for all you have contributed this week! We are aware that we set out on an ambitious plan to offer as many live lessons as possible to achieve more direct teaching to support the pupils at home as well as at school. We know that one size does not fit all. Feedback from you is that you have plenty to do and so the Senior Management Team are sharing their message below on Tapestry as well as in the newsletter:

"We would like to take this opportunity to once again acknowledge and thank you for the amazing efforts that you are putting into the home school. The children are being supported incredibly well in spite of the pressure that we know you are facing. With that in mind, please do remember that everyone has times that are less productive than others and do take a break if you or your children need it and only perhaps log on to the live teaching, rather than struggling to complete all the written tasks. We continue to be so delighted with the interaction and engagement during the online teaching, thank you for your support with this."

We are trying to achieve consistency across the school, although needs are often different; one phase or another sometimes pilots a different way of doing something. This can be frustrating for those with children in more than one phase of the school. Please bear with us, as we keep tweaking to make things work more smoothly.

Many people have resolved, or been helped to resolve their device issues. We ran out of devices this week but are expecting some more next week and are recording where there is a need or the situation would be hugely improved to have another device.

Kind regards

Linda Wiskin and the Senior Management Team; Mrs Quinn, Mrs Grover, Mrs Southgate, Mrs Martin, Mrs Kilbey and Mrs Truelove.
