## Head Teacher's Message

Dear All

Well done for this half term, whether your family has been on remote learning or in the school building. We are confident that the effort made will mean that we are able to support the children to be on track with their learning and development as quickly as possible on a full return.

There should be more news shortly after half term. In the meantime, please have a well-deserved break this week and we look forward to World Book Day and Science Week activities as we continue our education in school and at home from 22<sup>nd</sup> February.

Kind regards

Linda Wiskin

In preparation for World Book Day, on Thursday 4th March, please may you keep hold of an egg box or two; there will be a project for your child to complete!

More details to be revealed nearer the time!
