Head Teacher's Message

Dear All

Thank you to everyone who has responded to the interim report. It has been good to see the progress already this term. Year 6 only received their reports today because they have been completing Mock examinations which reflect their progress since March when the reports were prepared and we were able to provide those results.

I hoped that the majority of you have read my letter and the explanation of the variety of approaches in use to support the children to "Catch-up" as much as possible.

It was important to share the journey leading to our end of Year results. We are confident in our approach which proved so successful in the autumn term when the summer term 2020 was retrieved, and then expected and some accelerated progress was made before the next Lockdown.

Our total concentration is on our core purpose of teaching and learning and I know staff are responding to queries on Tapestry.

A thank you is also due to the parents who are helping with the work on the Reflective Garden. It really is looking great and Mrs Morecroft would like to invite any middle school parents who could help to a session on Monday 10th May after school.

At Christmas I had a great deal of communication with the Police about the area as we are part of the City Centre. It has been good to see the new community initiative to engage with schools, parents and children, although there was some surprise to see them on site this morning!

Wishing everyone a happy long weekend

Linda Wiskin

Reflective Garden Appeal

Thank you very much to the parents in middle school who were able to lend a helping hand on Monday in the Reflective Garden. We are asking for volunteers (from middle school again) in the next session on Monday 10th May after school. If you are able to help out please let the office know.

In order to help maintain the garden areas and continue to improve the 'living fence' please could we ask for the following donations: climbing plants, bedding plants, compost, seeds and items to add to the Bug Hotel such as bricks, bamboo sticks, hollow logs and pine cones.

Many thanks in advance, Mrs Morecroft and the ECO team.

Captain Tom 100

A reminder to complete 100 of something over the bank holiday weekend in aid of Future Sense Foundation and in memory of Captain Tom Moore. Information was posted on Tapestry earlier this week.

Please share your challenges on Tapestry for your teachers to see.

School Crossing Patrol

We continue to have one patrol officer at the Victoria Road crossing.

Please take due care and attention when crossing to and from the school and please make suitable arrangements for any unaccompanied children.

Please can we ask parents not to congregate near the crossing as this is causing confusion for the patrol officer.

Please note there are alternative safe crossing points in the area including the traffic light crossings by the bridge and the police station.
