Genesis 9:11 ¹¹ I establish my covenant with you: Never again will all life be destroyed by the waters of a flood; never again will there be a flood to destroy the earth."

Friday 18th June 2021

Head Teacher's Message

Dear Parents,

Managing expectations continues to be a another challenge we all share during the pandemic; despite the hints and "inference" we were able to gain prior to this week's announcement of the delay of the opening up planned on June 21st, it was still hugely disappointing. It has been impressive during the year to see how human inventiveness and creative thinking has overcome these challenges, not least in how parents have made birthday celebrations special although different.

There is a constant change to plans for our Year 6's who are now not able to spend their Induction days in their new schools.

We will continue to come up with good ideas to alleviate the loss of the staples of the school year.

The children will have a sports day experience, albeit without parents on site; thanks to Mr Richardson for the alternatives and innovations he has arranged, we are particularly looking forward to the mechanical ponies!

Mrs Quinn has come up with more creative ideas about our transition days within school when the children will meet their new teachers, so we expect to be able to achieve most of our plans.

My thanks are also due to the PTA who have been so willing to run events this year and were prepared to help achieve a fete at the end of term which cannot now happen.

And to think that the biggest challenge in the summer term to our plans is only normally the weather. On which note, if it rains next week....we have alternative dates for the sports activities!

Best wishes

Linda Wiskin

National School Sports Week

Next week is National School Sports Week and we will actually be having a series of events over the next fortnight for the children to celebrate being active.

On Wednesday, Year 3 will take part in Fitness Threes while Year 4 will compete in the Superstars competition. On Thursday, Year 1 will have their Teddylympics while Year 2 will perform activities for Mini Games. Finally, on Friday, Year 5 and 6 will take part in a Quad Kids competition.

These events will represent the children's Sports Days and the children will not just compete in their House teams but against children in their year groups doing the same events across the Chelmsford area.

In the following week, Foundation Stage will have their Sports Day and the opportunity to take part in a Speed Stacks competition. We will also have a visit from some unusual mechanical ponies and other animals, with whom all the children can get fit and really test their core stability and leg power.

Sadly parents will not be able to spectate this year, but we will take plenty of photos to share on Tapestry after the events.
