Thanks for all the support we have received this year as we have found new ways to work and support the children's learning; a journey we have definitely been on together. Thanks also to the Governors for their strategic support, challenge and appreciation of the staff effort. My personal thanks to the staff for their flexibility as well as their expertise and for the tireless work and enthusiasm that is the mark of our happy school.

Best wishes

Summer Chatterbooks Challenge

For our Summer Chatterbooks Challenge we would like you to either:

- A) Create an A4 page about the adventures a character from a book has been on, you could include train tickets, photos, articles etc; or
- B) Create a front page newspaper article about books that were written the year you were born.

We would love to see your work so please email it to library@gbhs.co.uk by Friday 3rd September.

Due to the inability to hold their usual Chatterbooks sessions for year 5s, Great Baddow Library has created two fun reading-related activities that the children can complete over the summer holiday. When they have completed a task they can take photographs and email them to library@gbhs.co.uk.

In September and October, they intend to hold four sessions of Chatterbooks in their school library. More details will be sent out during the first week back in September. Please see the attached image for more information.

Join the Challenge in all Essex libraries!

Dear Mum, Dad, Carer and Teacher

Here's the best way to keep your children motivated to read through the summer holidays, keeping up those hard earned skills and having fun finding their next favourite author! All free at your library.

This year Essex Libraries and The Reading Agency are excited to team up with the World Wildlife Fund for Nature for a very special nature themed challenge which will inspire you all to stand up for Earth. The World Wild Heroes are coming to a library near you this summer.

Who are the Wild World Heroes?

The Wild World Heroes live in Wilderville, which is a pretty cool place, but there are lots of things that the children like Faiza, David, Willow, Callum, Marcus and Carys can do to make their town even better for the people and animals who live there.

How can children take part?

Wild World Heroes runs from Saturday 10 July to Tuesday 31 August in all Essex libraries and mobile libraries. Children read six books over the summer holiday, helping the Wilderville children make a difference to the environment. They have a map of Wilderville and collect rewards on the way. When they have read six books, they receive a medal and a certificate.

What books do children have to read?

Children can read any library books of their choice; fiction, fact or information books, picture books to share with you and family, jokes or poetry; anything they enjoy.

The main challenge is for children aged three to twelve but there is a mini challenge for the under threes.

It's free to join the library and free of charge to take part in the Summer Reading Challenge.
