Head Teacher's Message

Dear All,

After a week of beautiful September days, the children have been making excellent use of the new running track. On Thursday, Class 3 were encouraging their classmates, cheering each other as they went round a group at a time. Lovely to see, and their running was impressive as well!

Our theme this week has been "Harvest" led by our Chaplain Jean in the school hall on Monday, when she built a shelter with the children to celebrate Sukkot, or the Feast of the Tabernacles. Worship and RE are strongly linked in our themes this year, providing opportunities for greater understanding and follow up in class.

On Monday, we will be in The Cathedral again to celebrate Harvest. The service is from 2-3pm. Due to the large numbers of children and staff, there will only be space for adults. Please bear in mind if you are hoping to come that 350 chairs will be in place and the school will use approximately 335 of them.

This year we are asking you to donate 1 item per family of unperishable goods so that we can support the Food Bank. These can be brought to school every morning next week and will be gathered for delivery.

We are now offering "Show rounds" again for prospective new parents, these are available for booking in very small numbers on Tuesday and Thursday mornings, via the Office. I do like to put the children on the spot and ask them what they can recommend about the school: food comes up a great deal and Buddies and Trips and Teachers and Sport, there is a huge and wide variety of recommendations. This week it was Class 10 turn and star comment was from Ethan; who said "I have two things, you are always helped to learn and the school helps you find your passion".

We look forward to seeing those of you who drop in to "Meet the Teacher" on Tuesday and the PTA AGM which follows.

Best wishes
Linda Wiskin

Cricket at Essex CC

Upper school had the opportunity to practise their striking and fielding skills on the lush outfield of Essex County Cricket Ground during the lunch interval of the match between Essex and Northants.

Coach Karen Hussain lead Class 10 through some batting drills while Classes 9 and 11 played a version of quick cricket called Save The Bats.

The trip also meant the children could experience live sport at a professional venue, as well as learn to manage their finances when they visited the club shop after lunch.

To cap it all, Essex completed victory the following morning in record time.
