Head Teacher's Message

Dear All

This week's theme in worship was being safe and this was explored from Jesus calming the storm, through our discussions to interactive circle times about making safe decision. I particularly enjoyed working with Class 7 in Circle time this morning as we worked through dilemmas and we explored our school value of Honesty, the honesty from everyone with no censure was refreshing!

Thank you to everyone who attended our face-to face Parents' Evenings and tried our new process. It would be very helpful if you would respond on the survey so that we can evaluate the Parents Evening experience. The link has been sent out on Scopay, but is also copied here... [Survey](#)

Congratulations to Mrs Kilbey for passing the test to be a Moderator of writing in Essex, something that adds to our confidence in our own assessment. I should probably mention that I have achieved the National Qualification for Executive Leadership, the award introduced on top Headship award, which both Mrs Quinn and I achieved many years ago. This supports the strategic development of the school.

Our prayers continue to be with the victims of war and aggression across the world at this time; we pray for peace in the countries in the news and those that are not.

Kind regards

Mrs Wiskin

Notices

*The final instalment for the
Year 6 Isle of Wight
trip is due
Friday 18th March.*

Calendar Events

Mar 12	Y3 & Y4 Disco

Message from School Crossing Patrol Service

Safety Message from the School Crossing Patrol Service

Could I please enlist your help with the following to improve safety at the Victoria Road school crossing site.

Patrols are trained to give equal consideration to pedestrians and drivers and try to gather small groups of pedestrians together before stopping traffic. Patrols also look for natural gaps in the traffic when possible to reduce the amount of disruption to traffic passing school crossing patrol sites. Please be patient and do not take the decision to cross yourself at the crossing site as other waiting children may follow you out into the road. During very busy times, the patrols may ask you to stop crossing and wait on the pavement whilst they exit the road to allow some traffic to pass.

Please do not allow children to run ahead of you to the crossing site. Due to the hoarding around the car park, when children emerge unaccompanied from the path onto Victoria Road, the patrols are unable to see whether the parents are in close proximity and patrols are then unnecessarily distracted to ensure the children do not move towards the roadside. Please keep children with you when approaching the main road and arrive at the crossing site together ready to cross the road. Thank you.

Please walk up to the crossing site tactile paving before you step off the pavement as when pedestrians cross the road diagonally from either the pavement near the school path or from the corner near the car park, this results in one of the patrols being unaware of pedestrians presence in the road.

Lastly, thank you to parents who encourage children to walk their bikes and scooters over the crossing site. Please encourage children to dismount as this is for the safety of the patrols and other pedestrians. Also it is good practise for when children will make unaccompanied journeys in the future, as by dismounting they will be able to give their full attention to approaching traffic.

Kind Regards

Sharon Wallace
School Crossing Patrol Co-ordinator
